Presiding Bishop Allin on Chicago TV

# 80092      Concluding a busy weekend in Chicago, the Presiding Bishop of the Episcopal Church, the Rt. Rev. John M. Allin, addressed the Chicago television audience for the Sunday Evening Club on Channel 11, WTTW. His March 9 appearance on TV capped a weekend he had already spent with the Diocese of Chicago lay readers and services at St. Mark's Church, Geneva. The 5 p.m. program, "An Hour of Good News," has been one of the foremost interdenominational religious broadcasts in the nation, and has been aired continuously -- on radio and then TV -- for forty years.
